

Derek Lesley is a tax accountant as well as an auditor for Wilson, Haag & Co. In his free time, he enjoys playing basketball and spending time with his family. Derek's involvement in 7 Star Therapeutic Riding Center comes from the organization's passion to assist all individuals with various physical and mental health challenges and gives them the opportunity to alleviate challenges they may face as well as ameliorate their way of life through equine assisted therapy. He is excited for the opportunity to serve on the board and hopes to help aid 7 Star in their mission to serve the greater Texas panhandle area for years to come.
